Last Monday was a bad day for me. had got cold, so couldn't sleep well at night. At dawn , I took two pills. I slept deeply, so I got up late. It was an exam, so I put on my clothes quickly and went out. The bus had gone, so I had to walk to school. It was cold and windy and I was very sick. When I arrived at school, it was 7.30. The gate was closed, so I couldn't enter the school. I came back home sad and angry. I wish I hadn't got cold. I wish I had slept well. If only I hadn't got up late. If only the bus hadn't gone. It was really a bad day for me.
